COMPANY PROFILE

INDUSTRIAL SAFETY, TOOLS AND EQUIPMENT

Founded in 2005, MVS Marketing Sdn. Bhd. is a Malaysian supplier with eight in-house brands covering industrial safety products, tools and equipment.

Our range brings together workplace protection, ventilation, explosion-proof (Ex) equipment, industrial electrical products, welding equipment, hand tools and pneumatic air preparation.

We serve industrial users, contractors, workshops, retailers and dealers. Through our brand portfolio, we help customers explore product options and identify the specifications relevant to their work.

PRODUCT STANDARDS & CERTIFICATIONS

SIRIM CERTIFICATION & DOSH APPROVAL

Selected M-SAFE safety products hold SIRIM certification and DOSH approval, including flame-retardant workwear, protective gloves, cheminal protective clothing, respiratory protection and fall-protection equipment. These credentials reflect our commitment to recognised safety standards and give customers greater confidence in selecting workplace protection.

ATEX CERTIFICATIONS

Selected MVS and SUPAKU explosion-proof products carry ATEX certifications, demonstrating compliance with internationally recognised explosion-protection requirements. Our pneumatic ventilation and lighting range strengthens our capability to support oil and gas, petrochemical and other industrial applications requiring equipment for hazardous areas.
